**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is what makes America great.

I support LMI because they are smaller, and because of that tightness, can serve me better as a customer. Large organizations are notorious for providing crappier service. Great service is found in smaller circles.

Great broadband is what makes America great. Keep us connected by keeping us local.
